

MAX

Maximising Migrants' Contribution to Society

Migrants contribute in many ways to the societies in which they have immigrated. This contribution is often unrecognized because of the false image of migrants that exists in the public sphere. The Forum will focus on changing the narratives of public institutions and social organizations through professional language and cultural mediation.

Diversity Dialogue Fora NRW of Netz NRW and SprInt geG

23.6.2021, 1-3 pm CET

[Link for the event](#)
